January 9, 2007

Dear Potential 2007 Exhibitor,

You are invited to participate as an exhibitor at the **Northern California Psychiatric Society's 48th Annual Meeting and Scientific Program** to be held April 13 - 15, 2007 at the Inn at Squaw Creek in Olympic Valley, California. We expect high attendance this year due to the picturesque resort area and the formidable group of presenters.

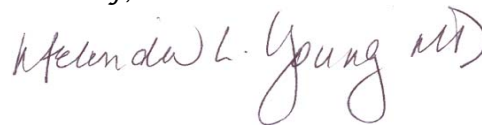

The theme of the meeting is **Psychiatry in the 21st Century: Practice, Progress and Delivery**. The weekend will include presentations by outstanding speakers as well as memorable social events. Special events, coffee breaks and continental breakfasts are scheduled in the exhibit area to ensure that psychiatrists frequent the exhibit booths.

If you decide to participate, please complete and return the "Exhibitor Contract" by January 31, 2007. Space is limited and will be allocated on a first come, first served basis - please register early to guarantee your place. The cost is \$2,500 for the three-day event including set-up costs.

We encourage you to stay on-site. The phone number for the Resort at Squaw Creek is 800-403-4434. To receive the group rate, specify when making your reservation that you are a participant at the NCPS Annual Meeting and make your reservations by March 9, 2007.

If you have any questions, please contact Renee Georgulas at the Northern California Psychiatric Society (415-334-2418, ext. 105).

Sincerely,

Melinda Young, MD
President
