Dear Annual Meeting Exhibitor:

You are invited to participate as an exhibitor at the **Northern California Psychiatric Society's 49<sup>th</sup> Annual Meeting and Scientific Program** to be held March 28 - 30, 2008 at the Portola Plaza Hotel, Monterey, California. We expect a large turnout of psychiatrists in this picturesque resort area due to the formidable group of presenters we have lined up. The theme of the meeting will be **Refining Our Skills: Advanced Topics in Clinical Psychiatry**. The weekend will include presentations by outstanding speakers as well as memorable social events. Special events, coffee breaks and continental breakfasts are scheduled in the exhibit area to ensure that psychiatrists will frequent the exhibit booths.

A contract/invoice for your participation is enclosed. Final date for submission is January 31, 2008. However, space will be allocated on a first come, first serve basis and is limited so please register early to guarantee your place. The cost to exhibitors is \$2,500 for the three-day event, including set-up costs. We encourage you to stay on-site; please ask for the NCPS group rate when you make reservations.

If you are interested, please contact Renée Georgulas at the Northern California Psychiatric Society (415/334-2418, ext. 105).

Sincerely,

Robert Dolgoff, MD  
President
